International Institute of Universology  
of Lviv „Stavropigion University”  
„Laskomex” enterprise**

# 11th International Forum of Universology

**We invite you to take part  
in the 11th International Forum of Universology  
and in accompanying events  
from 07 to 15 March 2020**

The goal of the forum is to create new directions for the development of organizations and enterprises, to raise the level of their organizational culture, as well as to strengthen integration between forum participants who are interested in research and development of management systems and interdisciplinary synthesis of sciences.

The emergence of evolutionary products and services, increasing the quality of partnerships, dynamic changes in the labor market, redefining existing business models – these are just some of the challenges that are associated with the change of the era. During the forum, we will consider what are the success factors in the future world, what competences should future leaders have and what the future product should be.

The forum consists of the following events:

- ✦ The health festival: **Direction – Health!** (Thursday – 12.03.2020)
  - ✦ The scientific conference: **The Universal System of Life Quality** (Friday – 13.03.2020)
  - ✦ Round table: **Synergy in the Development of People** (Saturday – 14.03.2020)
- and
- ✦ Seminar by Vitaliy A. Polakov: **Creating the Future** (Saturday-Wednesday – 07-11.03.2020) in the Territorial Self-Government Center "Slavvia" (Warszewice 47a).

The main topic of the forum will be the Universal System of Life Quality developed by the Polish Academy of Universal Management and implemented among others at Laskomex. The special guest of the forum will be professor Vitaliy A. Polakov, president of the International Scientific School of Universology, honorary doctor of the Lviv Stavropigion University that is operating under the International Center for the Implementation of UNESCO Programs, honorary member of the International Academy of Ecology and Life Safety that is cooperating with the UN Department of Public Information, author of the interdisciplinary synthesis of sciences called Universology and a creative inspirator of the evolutionary processes of social changes associated with its application.

You will also have an opportunity to participate in evening events as the spring welcoming and sightseeing. A visit to the theater or philharmonic hall is also planned after a prior notification of participation in the program.

A digest of articles on the topic of the forum is also planned to be released. We expect your article to join our digest.

Please confirm your participation considering that it will be beneficial not only for all of us, our companies and organizations, but also for the whole society and humanity.

We encourage you to visit the forum web page [www.mfuk.eu](http://www.mfuk.eu).

**Łódź, 07-15.03.2020**
